Blossom-opt-in-feature-box is an attention grabbing feature box that conditionally pops up at the center of the user's screen for maximum visibility and user engagement. It can be used as the classic opt-in box to capture user's email, or simply to display important content such as an announcement or even an advertisement. We have submitted free version of this plugin to WordPress Plugin Team for review.

Free Version features:

- \* Coding skills NOT required.
- \* Theme modifications NOT required.
- \* No admin / back-end functionality.
- \* No dependency on 3rd party service.
- \* Fully responsive feature box that displays itself in the center of the user's browser screen regardless of screen size. Box resizes fluidly as browser size changes..
- \* One effects out of the box to reveal the feature box- "newspaper".
- \* One scroll based delivery- feature box can be shown only when the user has scrolled the document by a certain percentage, such as 50% or 100% (when the user is at the end of the page).
- \* One Robust frequency control- limit the display of the feature box to avoid annoying users-
